1 Do you agree to take part in the research study?

I agree to take part in this research study	**23** (100%)
I do not agree to take part in the research study	**0**
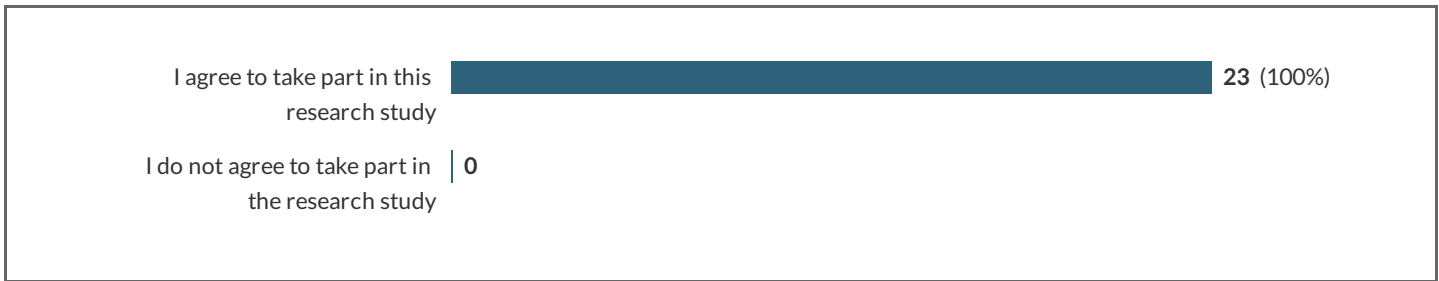

2 Which of the following local authorities do you work for?

| Council	Count	Percentage
Aberdeen City Council	1	(4.3%)
Aberdeenshire Council	1	(4.3%)
Angus Council	0	
Argyll and Bute Council	1	(4.3%)
City of Edinburgh Council	1	(4.3%)
Clackmannanshire Council	0	
Comhairle nan Eilean Siar	0	
Dumfries and Galloway Council	1	(4.3%)
Dundee City Council	1	(4.3%)
East Ayrshire Council	1	(4.3%)
East Dunbartonshire Council	1	(4.3%)
East Lothian Council	1	(4.3%)
East Renfrewshire Council	0	
Falkirk Council	1	(4.3%)
Fife Council	1	(4.3%)
Glasgow City Council	1	(4.3%)
Highland Council	1	(4.3%)
Inverclyde Council	0	
Midlothian Council	1	(4.3%)
Moray Council	1	(4.3%)
North Ayrshire Council	0	
North Lanarkshire Council	2	(8.7%)
Orkney Islands Council	1	(4.3%)
Perth and Kinross Council	1	(4.3%)
Renfrewshire Council	1	(4.3%)
Scottish Borders Council	0	
Shetland Islands Council	1	(4.3%)
South Ayrshire Council	0	
South Lanarkshire Council	0	
Stirling Council	1	(4.3%)
West Dunbartonshire Council	0	
West Lothian Council	1	(4.3%)

3 Thinking back to the first month of the lockdown, how important to your work were the following types of data for managing the COVID-19 crisis?

3.1 Internal public sector data
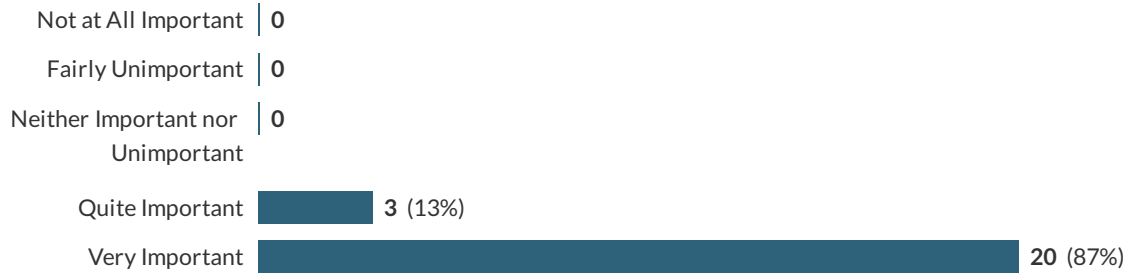

|	
Not at All Important	0
Fairly Unimportant	0
Neither Important nor Unimportant	0
Quite Important	3 (13%)
Very Important	20 (87%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

3.2 External public sector data

|	
Not at All Important	0
Fairly Unimportant	1 (4.3%)
Neither Important nor Unimportant	1 (4.3%)
Quite Important	4 (17.4%)
Very Important	17 (73.9%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

3.3 Third sector data

Not at All Important	0
Fairly Unimportant	2 (8.7%)
Neither Important nor Unimportant	6 (26.1%)
Quite Important	9 (39.1%)
Very Important	6 (26.1%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)
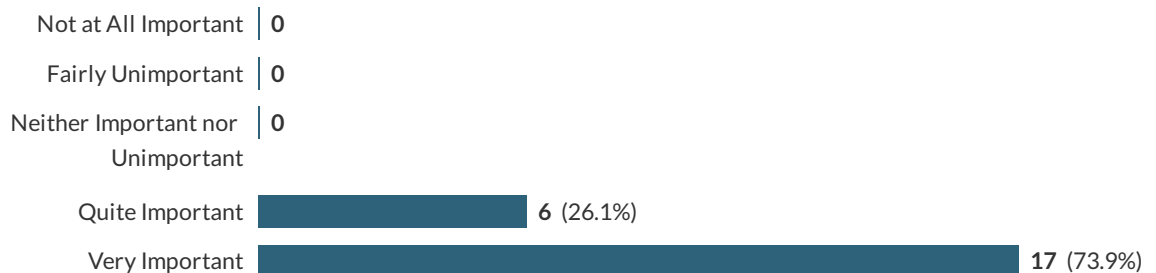

3.4 Private sector data

Not at All Important **3** (13%)

Fairly Unimportant **5** (21.7%)

Neither Important nor Unimportant **8** (34.8%)

Quite Important **6** (26.1%)

Very Important **1** (4.3%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

3.5 Novel data

Not at All Important **6** (26.1%)

Fairly Unimportant **2** (8.7%)

Neither Important nor Unimportant **7** (30.4%)

Quite Important **7** (30.4%)

Very Important **1** (4.3%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)
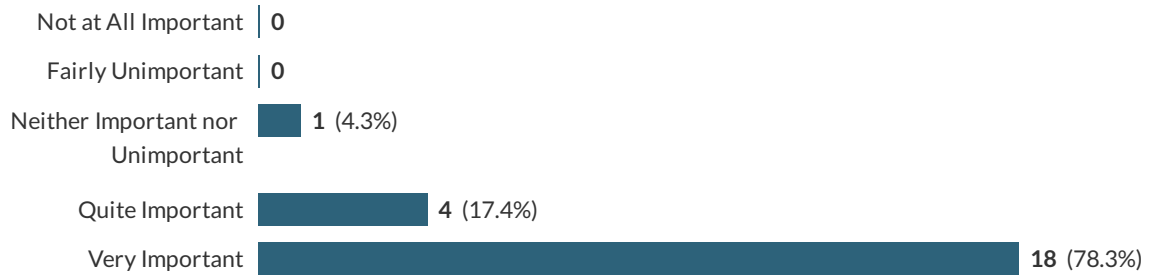

4 Thinking about the last few weeks, how important to your work have the following types of data been for managing the COVID-19 crisis?

4.1 Internal public sector data

Not at All Important **0**

Fairly Unimportant **0**

Neither Important nor Unimportant **0**

Quite Important **6** (26.1%)
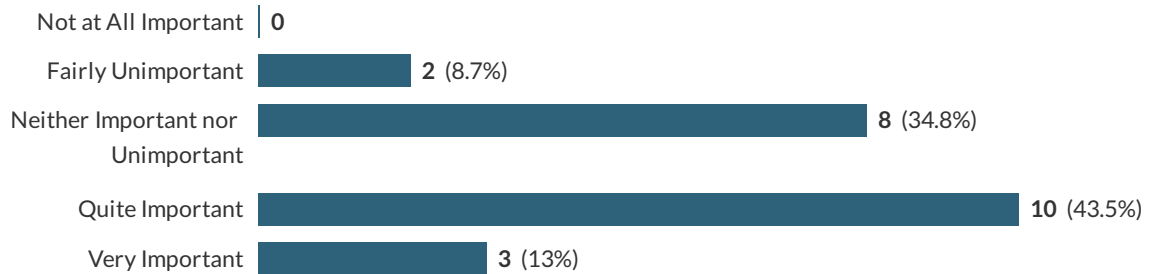

Very Important **17** (73.9%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

4.2 External public sector data

Not at All Important **0**

Fairly Unimportant **0**

Neither Important nor Unimportant **1** (4.3%)

Quite Important **4** (17.4%)

Very Important **18** (78.3%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

4.3 Third sector data

Not at All Important **0**

Fairly Unimportant **2** (8.7%)

Neither Important nor Unimportant **8** (34.8%)

Quite Important **10** (43.5%)

Very Important **3** (13%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

4.4 Private sector data

Not at All Important **1** (4.3%)

Fairly Unimportant **4** (17.4%)

Neither Important nor Unimportant **7** (30.4%)

Quite Important **9** (39.1%)

Very Important **2** (8.7%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)
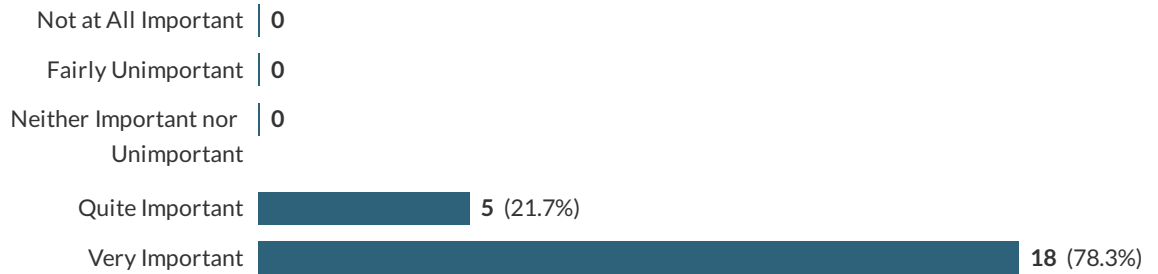

4.5 Novel data

Not at All Important	**4** (17.4%)
Fairly Unimportant	**5** (21.7%)
Neither Important nor Unimportant	**5** (21.7%)
Quite Important	**6** (26.1%)
Very Important	**3** (13%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)
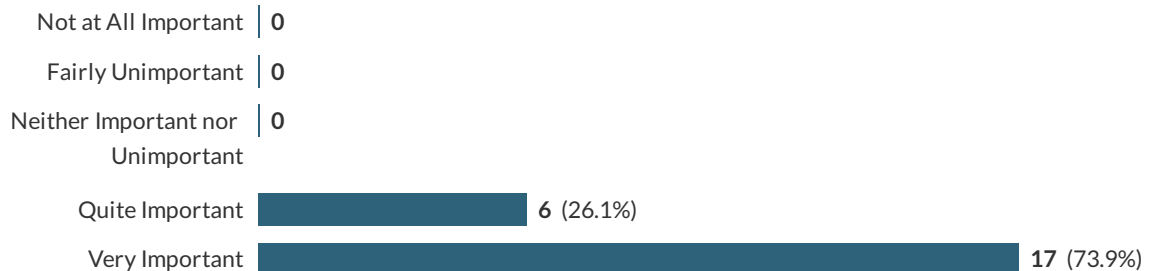

5 Looking ahead to next year, how important to your work do you expect the following types of data to be for managing the COVID-19 crisis?

5.1 Internal public sector data

|	
Not at All Important	**0**
Fairly Unimportant	**0**
Neither Important nor Unimportant	**0**
Quite Important	**5** (21.7%)
Very Important	**18** (78.3%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

5.2 External public sector data

|	
Not at All Important	**0**
Fairly Unimportant	**0**
Neither Important nor Unimportant	**0**
Quite Important	**6** (26.1%)
Very Important	**17** (73.9%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

5.3 Third sector data

Not at All Important | 0

Fairly Unimportant | **1** (4.3%)

Neither Important nor Unimportant | **2** (8.7%)

Quite Important | **16** (69.6%)

Very Important | **4** (17.4%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

5.4 Private sector data

Not at All Important | **1** (4.3%)

Fairly Unimportant | **2** (8.7%)

Neither Important nor Unimportant | **4** (17.4%)

Quite Important | **11** (47.8%)

Very Important | **5** (21.7%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

5.5 Novel data

Not at All Important | **1** (4.3%)

Fairly Unimportant | **5** (21.7%)

Neither Important nor Unimportant | **4** (17.4%)

Quite Important | **7** (30.4%)

Very Important | **6** (26.1%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)
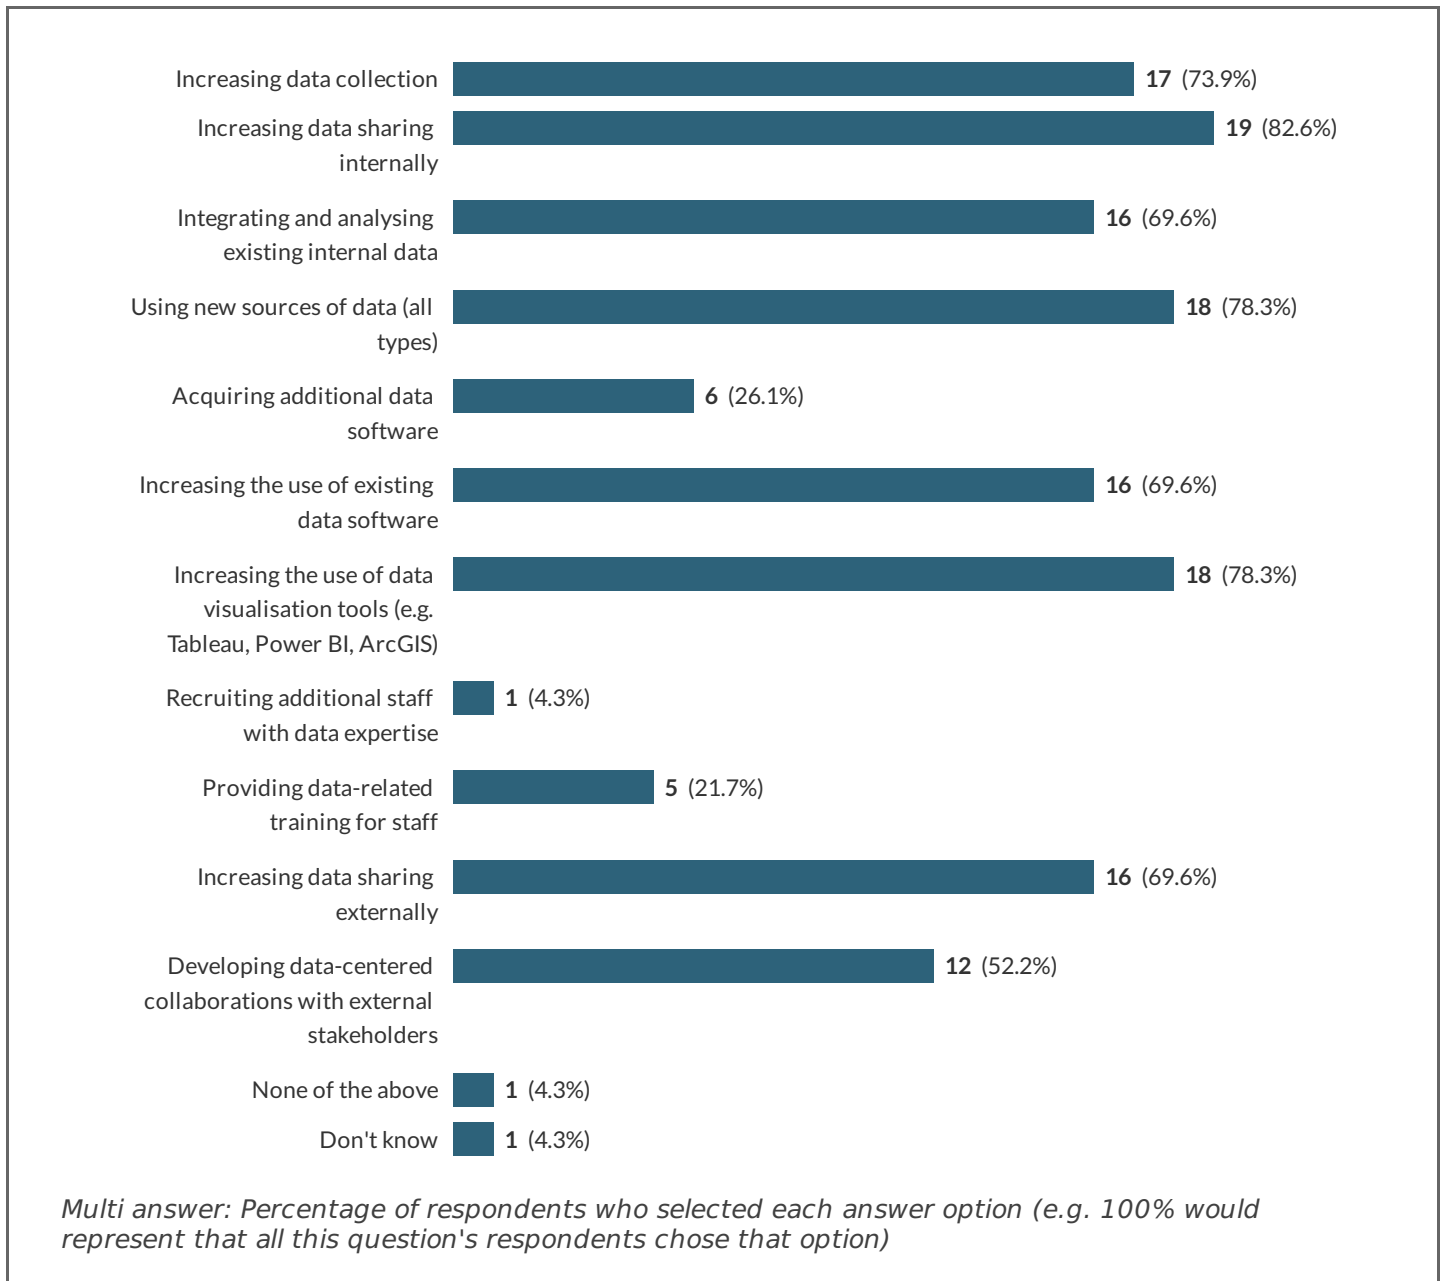

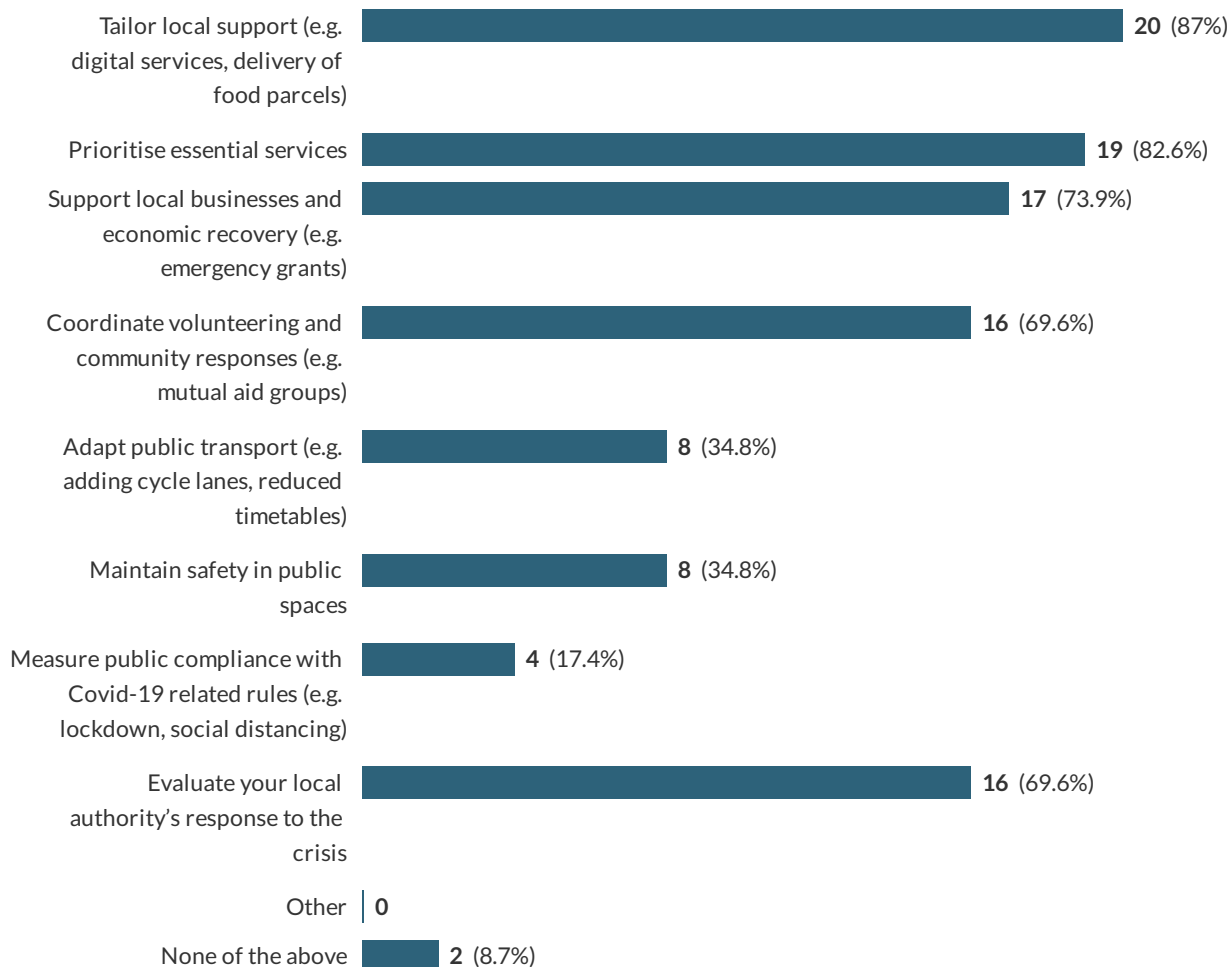

6 Are you aware of your local authority having so far implemented any of the following actions in

reponse to COVID-19? (Please select all that apply)

| Answer	Count (Percentage)
Increasing data collection	17 (73.9%)
Increasing data sharing internally	19 (82.6%)
Integrating and analysing existing internal data	16 (69.6%)
Using new sources of data (all types)	18 (78.3%)
Acquiring additional data software	6 (26.1%)
Increasing the use of existing data software	16 (69.6%)
Increasing the use of data visualisation tools (e.g. Tableau, Power BI, ArcGIS)	18 (78.3%)
Recruiting additional staff with data expertise	1 (4.3%)
Providing data-related training for staff	5 (21.7%)
Increasing data sharing externally	16 (69.6%)
Developing data-centered collaborations with external stakeholders	12 (52.2%)
None of the above	1 (4.3%)
Don't know	1 (4.3%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

7 Please indicate if so far you have used data (all types) to do any of the following: (Please select all that apply)

|		
Tailor local support (e.g. digital services, delivery of food parcels)	████████████████████	**20** (87%)
Prioritise essential services	███████████████████	**19** (82.6%)
Support local businesses and economic recovery (e.g. emergency grants)	█████████████████	**17** (73.9%)
Coordinate volunteering and community responses (e.g. mutual aid groups)	████████████████	**16** (69.6%)
Adapt public transport (e.g. adding cycle lanes, reduced timetables)	████████	**8** (34.8%)
Maintain safety in public spaces	████████	**8** (34.8%)
Measure public compliance with Covid-19 related rules (e.g. lockdown, social distancing)	████	**4** (17.4%)
Evaluate your local authority's response to the crisis	████████████████	**16** (69.6%)
Other		**0**
None of the above	██	**2** (8.7%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

7.a If you selected Other, please specify:

No responses

---

8 In ranking order, in which of the following policy areas have you so far seen an increased need for data (all types) in response to COVID-19? (Please select and rank up to three areas)

8.1 Adult Social Care Services
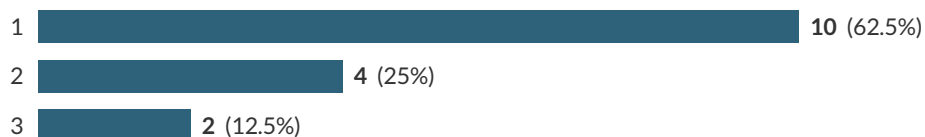

|		
1	██████████████	**10** (62.5%)
2	██████	**4** (25%)
3	████	**2** (12.5%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

8.2 Businesses and Corporate Services

1 ████████████████████████████████ **3** (50%)
2 | **0**
3 ████████████████████████████████ **3** (50%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

8.3 Children Services

1 ██████ **1** (12.5%)
2 ████████████████████████████████ **6** (75%)
3 ██████ **1** (12.5%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

8.4 Cultural and Leisure Services

1 | **0**
2 | **0**
3 ████████████████████████████████ **1** (100%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

8.5 Economic Development
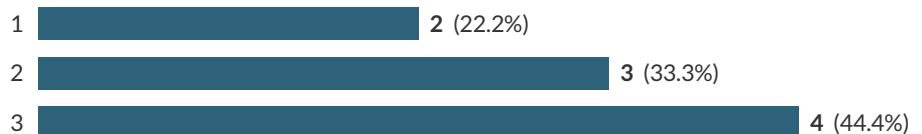

1 ████████████████ **2** (22.2%)
2 ████████████████████████ **3** (33.3%)
3 ████████████████████████████████ **4** (44.4%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

8.6 Education

|	
1	▇▇▇▇▇▇▇▇▇ **3** (30%)
2	▇▇▇▇▇▇▇▇▇▇▇▇▇▇▇ **5** (50%)
3	▇▇▇▇▇▇ **2** (20%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

8.7 Environmental Protection

1	▇▇▇▇▇▇▇▇▇▇▇▇▇ **2** (40%)
2	▇▇▇▇▇▇ **1** (20%)
3	▇▇▇▇▇▇▇▇▇▇▇▇▇ **2** (40%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

8.8 Housing and Planning

1	**0**
2	**0**
3	**0**

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

8.9 Roads and Transports

|	
1	**0**
2	▇▇▇▇▇ **1** (25%)
3	▇▇▇▇▇▇▇▇▇▇▇▇▇▇▇ **3** (75%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

8.10 Waste Management

```
1 | 0
2 | 0
3 |████████████████████████████████ 2 (100%)
```

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

8.11 Don't know

```
1 |████████████████████████████████ 2 (100%)
2 | 0
3 | 0
```

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

9 In response to COVID-19 so far, have you used internal public sector data in relation to... (Please select all that apply)

Adults in social care	**18** (78.3%)
Air quality	**1** (4.3%)
Anti-social behaviour & Reported crime	**4** (17.4%)
Business Rates	**11** (47.8%)
Children in care	**13** (56.5%)
Council taxes	**11** (47.8%)
Customers contacts with local authority	**19** (82.6%)
Homelessness	**11** (47.8%)
Human resources / operational data	**14** (60.9%)
Pedestrian footfall	**3** (13%)
Public CCTV	**1** (4.3%)
Public transport	**6** (26.1%)
Road traffic	**6** (26.1%)
Social benefit recipients (e.g. housing benefits, universal credit, free school meals)	**18** (78.3%)
Social demographics	**15** (65.2%)
Waste	**4** (17.4%)
Other	**1** (4.3%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

9.a   If you selected Other, please specify:

NOMIS	651048-651039-67861569
As a part of my role within the council did not have the need to use COVID 19 data	651048-651039-68602806

11 So far, have you used the following types of data in response to COVID-19?

11.1 Third sector data

Yes — 8 (34.8%)
No — 6 (26.1%)
Don't know — 9 (39.1%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

11.2 Private sector data
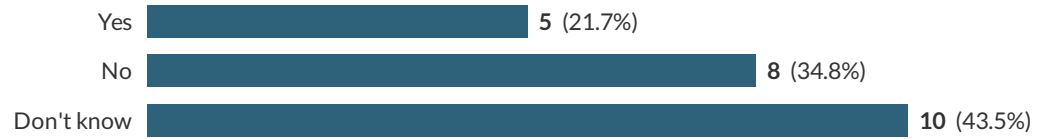

Yes	**5** (21.7%)
No	**8** (34.8%)
Don't know	**10** (43.5%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

11.a If 'Yes', could you give some examples?

Showing all 23 responses	
I have not used third sector or private sector data in response to COVID-19.	651048-651039-66597213
eocnomic data has come from national rather than private sectors - local govt not in a position to pay for addtional data sources unless emerges business critical.	651048-651039-66621598
Na	651048-651039-67178493
.	651048-651039-67184970
didn't answer Yes	651048-651039-67195224
N/A	651048-651039-67248230
In order to provide/ coordinate food, medication and mental health support during lockdown.	651048-651039-67274360
d	651048-651039-67861569
Experian data	651048-651039-67942639
No	651048-651039-68016344
A	651048-651039-68036730
	651048-651039-68042293
Details of families that required electronic equipment	651048-651039-68047575
Answered don't know	651048-651039-68049645
Lists of community groups loaded into the systems supporting the work of the Grampian Covid Assistance Hub (gcah.org.uk)	651048-651039-68054762
I don't have the details, but I know third sector partners were important to the initial response.	651048-651039-68235019
Data on support delivered to individuals in the community - emergency food, befriending, dog walking etc	651048-651039-68238847
.	651048-651039-68462903

I believe WLC might have used the above data types however, I did not	651048-651039-68602806
n/A	651048-651039-69007529
Ordnance survey and Housing agencies	651048-651039-69042763
We have used some limited data on food bank use from the third sector	651048-651039-69081140

12 Please indicate if so far you have used any of the following types of novel data in response to COVID-19. (Please select all that apply)

Cellular and Wi-Fi data **2** (8.7%)

Crowdsourced data **0**

Data from connected infrastructures **4** (17.4%)

Social media data **3** (13%)

None of the above **7** (30.4%)
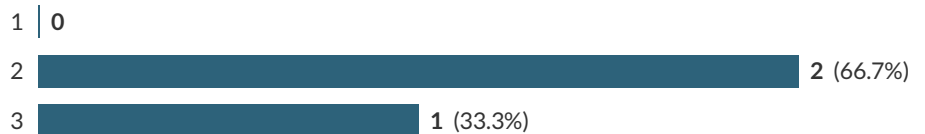

Don't know **9** (39.1%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

---

13 In ranking order, which of the following data capabilities would you like your local authority to develop in the wake of COVID-19? (Please select and rank the three most important areas)

13.1 IT infrastructure

1 **1** (33.3%)

2 **1** (33.3%)

3 **1** (33.3%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

13.2 Data software
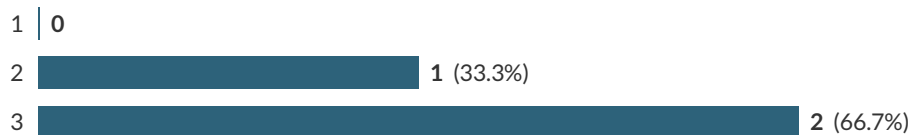

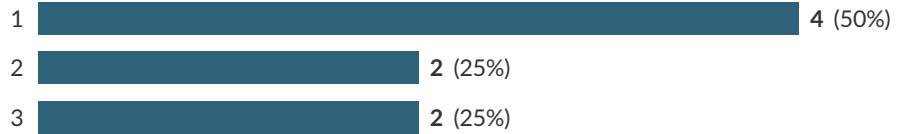

1 **0**

2 **1** (33.3%)

3 **2** (66.7%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

13.3 Internal data harmonisation and integration

```
1    9 (56.3%)
2    2 (12.5%)
3    5 (31.3%)
```

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

13.4 Data processing (e.g. quality, curation, standards)

```
1    2 (15.4%)
2    8 (61.5%)
3    3 (23.1%)
```

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

13.5 Data analytics

```
1    5 (45.5%)
2    3 (27.3%)
3    3 (27.3%)
```

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

13.6 Data storage and maintenance

```
1    0
2    2 (66.7%)
3    1 (33.3%)
```

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

13.7 Data governance

1	**4** (50%)
2	**2** (25%)
3	**2** (25%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

13.8 Skills (e.g. training, data literacy)

1	**1** (10%)
2	**4** (40%)
3	**5** (50%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)
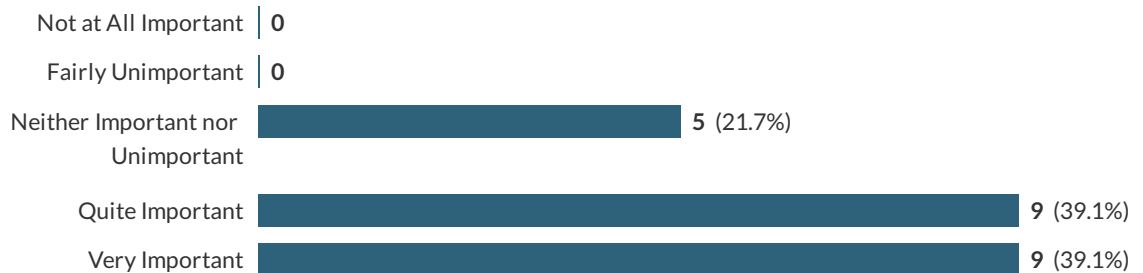

13.9 Human resources (e.g. data scientists)

|	
1	**1** (50%)
2	**0**
3	**1** (50%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

14 How important have data sharing and collaborations been to your work in the context of COVID-19?

14.1 Internal data sharing

Not at All Important	**0**
Fairly Unimportant	**0**
Neither Important nor Unimportant	**0**
Quite Important	**2** (8.7%)
Very Important	**21** (91.3%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would

represent that all this question's respondents chose that option)

External data sharing

Not at All Important | 0
Fairly Unimportant | 0
Neither Important nor Unimportant | 0
Quite Important | 10 (43.5%)
Very Important | 13 (56.5%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

14.3 Data collaborations

Not at All Important | 0
Fairly Unimportant | 0
Neither Important nor Unimportant | 5 (21.7%)
Quite Important | 9 (39.1%)
Very Important | 9 (39.1%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

15 Are you aware of your local authority having so far implemented any of the following data sharing measures in response to COVID-19? (Please select all that apply)

Data sharing agreements **15** (65.2%)

Use of open licenses (e.g. Open Government License) **7** (30.4%)

Publication of open datasets **4** (17.4%)

Use of Application Programming Interfaces (APIs) **5** (21.7%)

Public-facing interfaces (e.g. dashboards) **5** (21.7%)

Other **0**

None of the above **3** (13%)

Don't know **2** (8.7%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

15.a If you selected Other, please specify:

No responses

---

16 Are you aware of your local authority having so far collaborated / planning to collaborate in the future with any of the following stakeholders in response to COVID-19? (Please select all that apply)

16.1 Other Scottish local authorities

Collaborated to date **18** (100%)

Collaboration planned **1** (5.6%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

16.2 Other UK local authorities
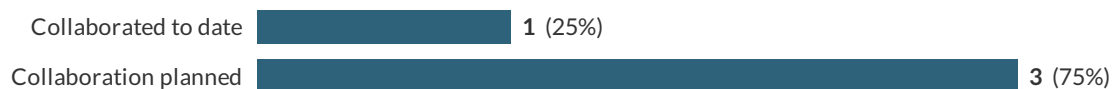

Collaborated to date **1** (25%)

Collaboration planned **3** (75%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

16.3 Public sector organisations (e.g. NHS Scotland Health Boards, Special Health Boards, Police Scotland)

Collaborated to date **20** (95.2%)
Collaboration planned **2** (9.5%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

16.4 Scottish Government

Collaborated to date **17** (94.4%)
Collaboration planned **2** (11.1%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

16.5 Local businesses

Collaborated to date **13** (86.7%)
Collaboration planned **3** (20%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

16.6 Private Corporations (e.g. BT Group, Cisco, Agilisys)

Collaborated to date **7** (70%)
Collaboration planned **4** (40%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)
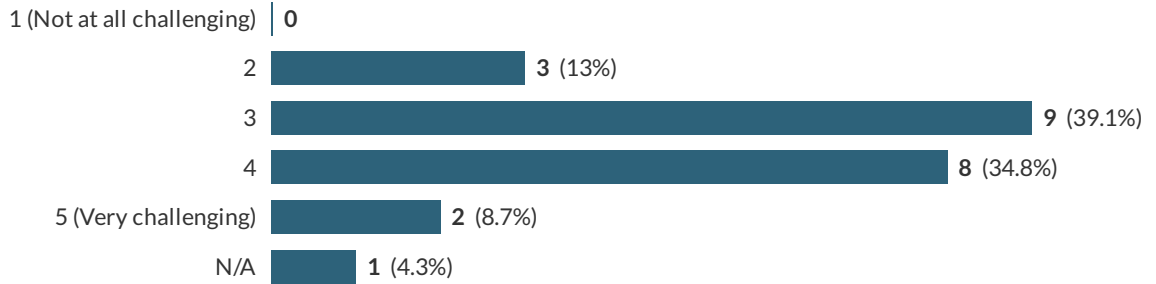

16.7 Third sector organisations (e.g. charities, voluntary organisations, community groups, social enterprises)

Collaborated to date **12** (92.3%)

Collaboration planned **2** (15.4%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)
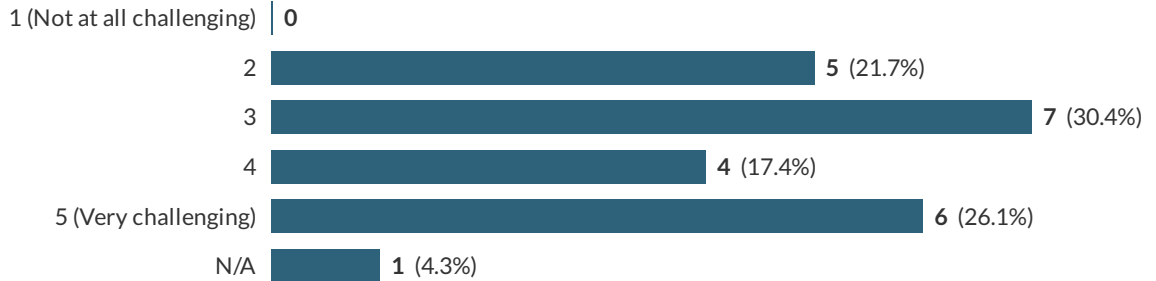

16.8 Research institutions (e.g. universities)

Collaborated to date **5** (71.4%)

Collaboration planned **3** (42.9%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

16.9 Grassroots organisations (e.g. mutual aid groups, residents' groups)

Collaborated to date **5** (55.6%)
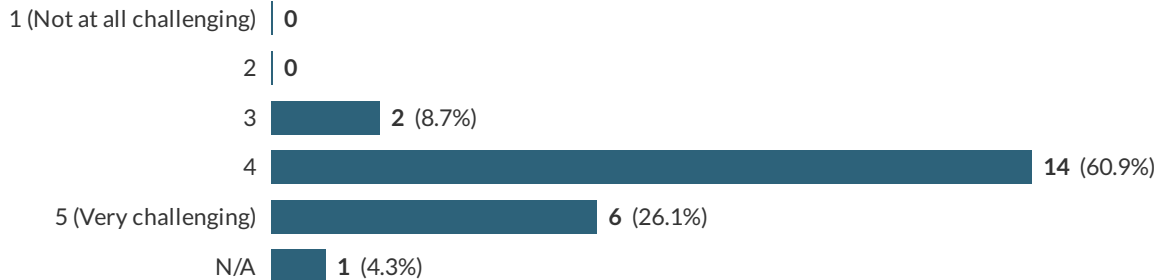

Collaboration planned **5** (55.6%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

16.10 Citizens

Collaborated to date **6** (60%)
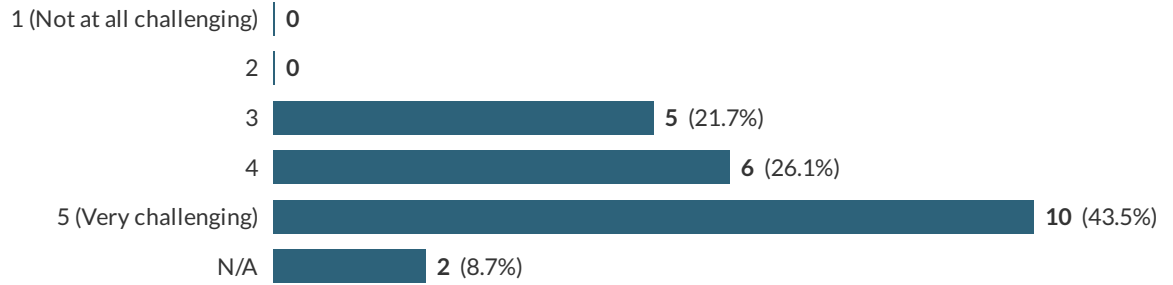

Collaboration planned **5** (50%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

17 On a scale from 1 to 5, how challenging to your work have the following areas of data engagement been in the context of COVID-19?

17.1 Identifying data needs

1 (Not at all challenging) | 0

2 — **3** (13%)

3 — **9** (39.1%)

4 — **8** (34.8%)

5 (Very challenging) — **2** (8.7%)
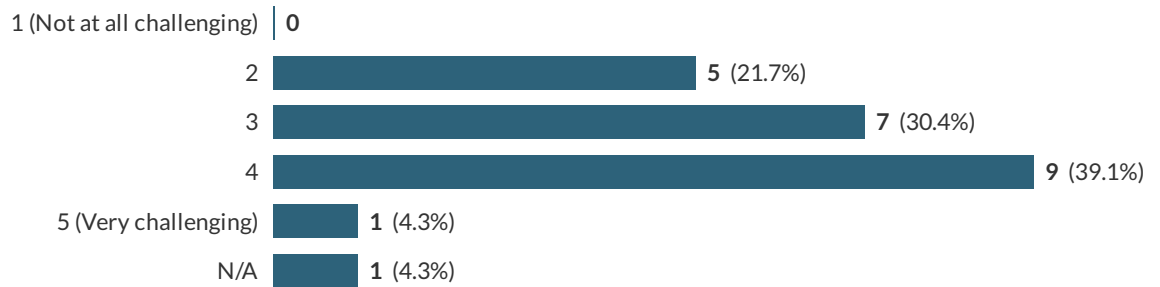

N/A — **1** (4.3%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

17.2 Mapping existing internal data

1 (Not at all challenging) | 0

2 — **5** (21.7%)

3 — **7** (30.4%)

4 — **4** (17.4%)

5 (Very challenging) — **6** (26.1%)

N/A — **1** (4.3%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

17.3 Ensuing data quality/ standards (e.g. accuracy)

1 (Not at all challenging) | 0

2 | 0

3 — **2** (8.7%)

4 — **14** (60.9%)

5 (Very challenging) — **6** (26.1%)
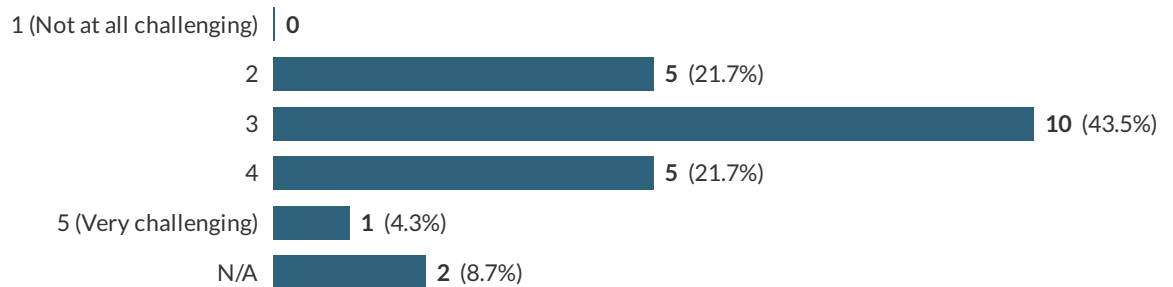

N/A — **1** (4.3%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

17.4 Integrating data (e.g. matching, interoperability)

1 (Not at all challenging) | **0**

2 | **0**

3 | **5** (21.7%)

4 | **6** (26.1%)

5 (Very challenging) | **10** (43.5%)
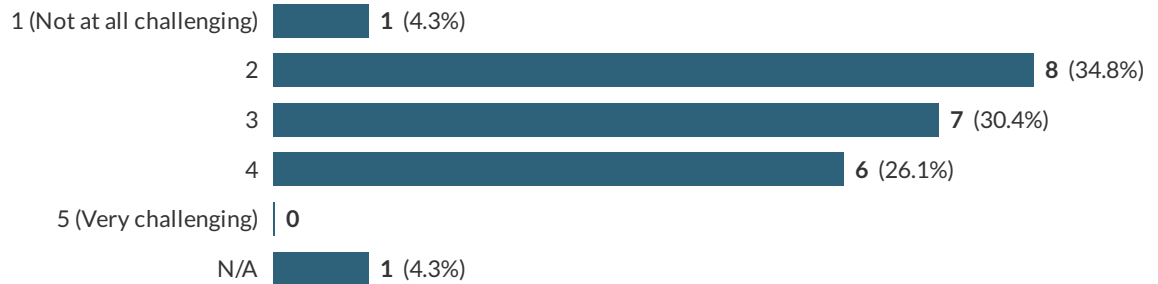

N/A | **2** (8.7%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

17.5 Analysing data

1 (Not at all challenging) | **0**

2 | **5** (21.7%)

3 | **7** (30.4%)

4 | **9** (39.1%)

5 (Very challenging) | **1** (4.3%)
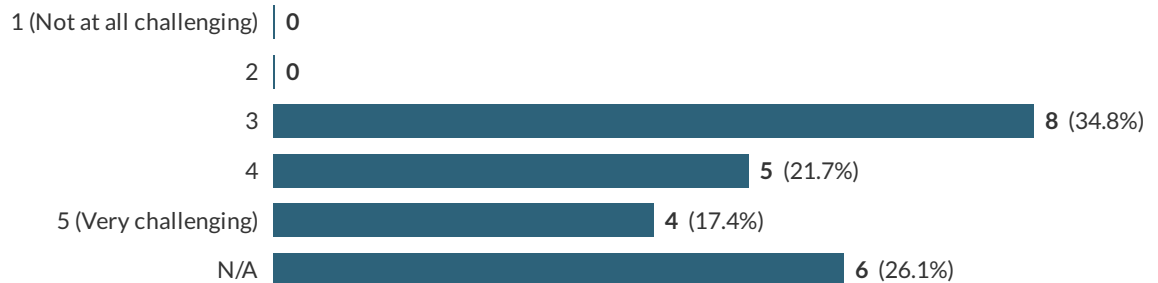

N/A | **1** (4.3%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

17.6 Ensuing GDPR compliance

1 (Not at all challenging) | **0**

2 | **5** (21.7%)

3 | **10** (43.5%)

4 | **5** (21.7%)

5 (Very challenging) | **1** (4.3%)

N/A | **2** (8.7%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

17.7 Ensuing data security

1 (Not at all challenging) ▓ 1 (4.3%)

2 ▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓ 8 (34.8%)

3 ▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓ 7 (30.4%)

4 ▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓ 6 (26.1%)

5 (Very challenging) | 0

N/A ▓ 1 (4.3%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

17.8 Developing data sharing agreements

1 (Not at all challenging) | 0

2 | 0

3 ▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓ 8 (34.8%)

4 ▓▓▓▓▓▓▓▓▓▓▓▓▓ 5 (21.7%)

5 (Very challenging) ▓▓▓▓▓▓▓▓▓▓ 4 (17.4%)

N/A ▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓ 6 (26.1%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

17.9 Obtaining data from the Scottish Government

1 (Not at all challenging) ▓ 1 (4.3%)

2 | 0

3 ▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓▓ 11 (47.8%)

4 ▓▓▓▓ 2 (8.7%)

5 (Very challenging) ▓▓▓▓▓▓▓▓▓▓▓ 5 (21.7%)

N/A ▓▓▓▓▓▓▓▓ 4 (17.4%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

18 What would you say are the main data-centered opportunities for your local authority that have emerged from the COVID-19 crisis ? (Please select up to four)

Increasing data sharing internally	16 (72.7%)
Harmonising and integrating internal data	16 (72.7%)
Investing in data software	2 (9.1%)
Providing data training to staff	5 (22.7%)
Adopting shared data standards	4 (18.2%)
Accessing/using novel data	3 (13.6%)
Developing external data sharing agreements	4 (18.2%)
Collaborating with other stakeholders to collect, use and/or analyse data	10 (45.5%)
Increasing the use of data to inform decision and policy making	17 (77.3%)
Other	2 (9.1%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

18.a If you selected Other, please specify:

Showing all 2 responses	
Increasing the use of data to inform decision and policy making (again)!	651048-651039-66597213
realsiing the potential of data and how powerful data can be	651048-651039-68602806

---

19 Are you aware of any specific data-centered initiatives / projects in which your local authority has been involved in response to COVID-19?

|	
Yes	12 (52.2%)
No	6 (26.1%)
Don't know	5 (21.7%)
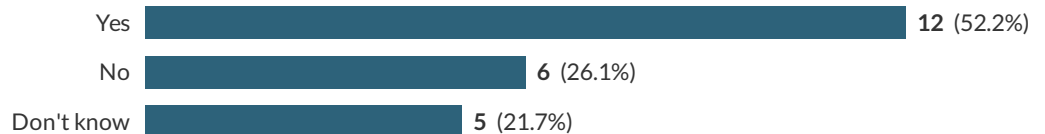

19.a If 'Yes', could you specify what these are?

| Showing all 12 responses	
To my knowledge, my own involvement with the Digital Office for Scottish Local Authorities is the only example.	651048-651039-66597213
Digital Office on a shared data hub for Scottish Local Authorities to submit data return. Collboration of software to manage humanitarian aid requirements.	651048-651039-66621598
Helping hands	651048-651039-67178493
food and medical deliveries	651048-651039-67195224
Providing care to vulnerable people. Improving school meal deliveries.	651048-651039-67248230
- COVID dashboard - combining health and council data - Integrated Transport Spaces for People App - CCTV object detection supporting activity monitoring - Public facing COVID facilities app - Employee mgmt dashboard - Economic Recovery dashboard	651048-651039-67274360
Scottish Data Taskforce - Development of a Data Ecosystem	651048-651039-68042293
"Helping Hands" system to track and manage contact and service requirements and provision for individuals in shielding.	651048-651039-68049645
Our Digital Team rapidly deployed a workflow/case management system in Oracle Service Cloud to support the council's Caring for People Helpline	651048-651039-68235019
COVID dashboard GIS mapping - Shielding individuals GIS mapping - Education capacity & availability	651048-651039-68238847
Many. e.g. We have amended and improved our "tracking" of staff to report on absences for Covid-19 related reasons; working at home; criticality of role.	651048-651039-68462903
Work through the Digital Office on the Covid response generally and on a specific project looking at data on vulnerable people	651048-651039-68592430

20 Thinking about your experience of your local authority's response to COVID-19, how important have data-focused interventions been relative to other approaches to managing the pandemic?

20.1 Provision of emergency funding

Less important than data-focused interventions	0
About the same	9 (39.1%)
More important than data-focused interventions	14 (60.9%)

20.2 Collaboration with third sector organisations

Less important than data-focused interventions **4** (17.4%)

About the same **14** (60.9%)

More important than data-focused interventions **5** (21.7%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

20.3 Coordination with other public institutions

Less important than data-focused interventions **0**

About the same **17** (73.9%)

More important than data-focused interventions **6** (26.1%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

20.4 Local knowledge and connections

Less important than data-focused interventions **1** (4.3%)

About the same **13** (56.5%)

More important than data-focused interventions **9** (39.1%)

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)
